

Welcome Aboard! Below is a set of instructions on how to get started using Airtext. Once you have downloaded the free application:

- 📱 Place phone into "airplane" mode.**
- 📱 Open the Airtext app.**
- 📱 Tap "Yes" when asked to Enable Bluetooth. Note: A green connection "light" at the top of the app indicates a successful Bluetooth connection with the Airtext router.**
- 📱 Tap the green button on the bottom right to send a text message.**
- 📱 Enter a phone number or tap the "Contacts" icon towards the right to select the person you want to send an Airtext message to.**
- 📱 Type your message and tap "SEND". Note: Messages are usually transmitted and received well under 30 seconds**
- 📱 Tap the back arrow to return to the list of conversations and tap any conversation to view.**

Enjoy!

Welcome Aboard! Below is a set of instructions on how to get started using Airtext. Once you have downloaded the free application:

- 📱 Place phone into "airplane" mode.**
- 📱 Open the Airtext app.**
- 📱 Tap the little blue tablet button in the top right corner to write a message.**
- 📱 Tap "Contacts" to search the contacts from your phone. Select the person's cell phone to message.**
- 📱 Type message and press "Send". Note: You will be asked to turn on your Bluetooth, tap "Agree". Note: A green connection "light" at the top of the app indicates a successful Bluetooth connection with the Airtext router.**
- 📱 Responses will be seen in the Airtext messages. Press the message to review. Note: Messages are usually transmitted and received in well under 30 seconds.**

Keep the app open. Do not "swipe away"

Enjoy!
